Rec'd PCT/PTO 15 OCT 2004

**Declaration of Inventorship (Rules 4.17(i) and 51^{bis}.1(a)(iv)) for the
Purposes of the Designation of the United States of America:**

I hereby declare that I believe I am the original, joint inventor of the subject matter which is claimed and for which a patent is sought.

This declaration is directed to International Application No. **PCT/US 03/12380** entitled:

**DNA Dependent Protein Kinase Catalytic Subunit Phosphorylation Sites
and Antibodies Thereto**

I hereby declare that my residence, mailing address and citizenship are as stated below next to my name.

I hereby state that I have reviewed and understand the contents of the above-identified international application, including the claims of said application. I have identified in the request of said application, in compliance with PCT Rule 4.10, any claim to foreign priority, and I have identified below, under the heading "Prior Application," by application number, country or Member of the World Trade Organization, day, month and year of filing, any application for a patent or inventor's certificate filed in a country other than the United States of America, including any PCT international application designating at least one country other than the United States of America, having a filing date before that of the application on which foreign priority is claimed.

I hereby acknowledge the duty to disclose information that is known by me to be material to patentability as defined in 37 CFR § 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the PCT international filing date of the continuation-in-part application.
